Timothy M. Squire
Partner
416 868 3462
tsquire@fasken.com

Tim is a senior partner who brings a wealth of experience in the commercialization of intellectual property. He was formerly the IP group chair at Lang Michener's Toronto office. Tim's practice is focused on the protection and commercialization of intellectual property and the resolution of disputes involving intellectual property and technology. He has worked with private and public companies, start-ups and established innovators, as well as many notable institutional organizations. Tim regularly counsels clients in the development of comprehensive intellectual property protection strategies, and has become the trusted advisor to many companies in their pursuit to protect and commercialize innovation.

Tim has extensive experience in the resolution of disputes involving intellectual property and technology. He is an accomplished litigator, and has appeared before all levels of the Federal Court and the Ontario Superior Court prosecuting and defending intellectual property infringement cases. He is also experienced in alternative dispute resolution, including arbitration, mediation and license based settlements.

Kevin E. Holbeche
Associate

kholbeche@fasken.com

Kevin is a registered patent agent and lawyer skilled at providing patentability, infringement and validity opinions. He has experience with a wide-range of technologies – including biotech, life sciences, medical, mechanical, industrial, transportation, electrical, communications, entertainment, Internet, marketing and business method inventions, among others.

Kevin also provides legal advice for trade-mark, design and copyright matters. He also specializes in IP portfolio management (overseeing the work of foreign associates in numerous jurisdictions) and due diligence, technology transfer, licensing, and enforcement matters.

Jeremy Morton
Partner
44 207 917 8526
jmorton@fasken.co.uk

Jeremy is a partner with Fasken Martineau's London (U.K.) office and advises on all aspects of intellectual property and related areas such as data protection and privacy. Much of his work focuses on the technology sector. In addition to advisory and transactional work, he has handled many high value disputes for household name clients, including patent, trade mark, design, copyright and passing-off cases. His work has frequently entailed multi-jurisdictional coordination.
